So glad all are on board. Don't violate the Brown Act.

I oppose that your next meeting isn't until October 2, 2025.

Having the next meeting not be until October isn't going to fly with the community. We need clear answers on our financial situation. The City Manager indicated at the last Council meeting that the task of looking at our past financials will be assigned to this committee. Holding several meeting before the 25/26 budget is adopted is paramount.
