### 1. SUBJECT

Introduction and first reading of Ordinance No. 10-25 containing administrative updates to various sections of Title 13 of the Orange Municipal Code.

### 2. SUMMARY

This proposed Ordinance contains administrative updates to various sections of Title 13 to update references to conform with current law and code provisions, principally, cross-connection regulations and notification procedures.

### 3. RECOMMENDED ACTION

Introduce and conduct First Reading of Ordinance No. 10-25. An Ordinance of the City Council of the City of Orange amending various sections in Title 13 of the Orange Municipal Code to update references to conform with current law and code provisions.

### 4. FISCAL IMPACT

None.

### 5. STRATEGIC PLAN GOALS

Not applicable.

### 6. DISCUSSION AND BACKGROUND

Over the past several years, there have been changes in State law impacting existing Orange Municipal Code (OMC) provisions. There have also been a number of new State laws requiring the addition of new OMC provisions. At the same time, a number of OMC provisions have been added and revised to reflect changed City policies. Not all of the changes in the OMC have been captured throughout the remaining OMC provisions, resulting in several code sections that still contain outdated, superseded, or changed references.

The proposed Ordinance makes administrative adjustments and corrects, revises and/or deletes the inaccuracies found in Title 13 of the OMC, principally, cross-connection regulations and notification procedures.
