**A RESOLUTION OF THE PLANNING COMMISSION OF  
THE CITY OF ORANGE RECOMMENDING THAT THE  
CITY COUNCIL ADOPT AN ORDINANCE AMENDING  
TITLE 17 OF THE ORANGE MUNICIPAL CODE TO  
ALLOW SINGLE-ROOM OCCUPANCY HOUSING AS A  
PERMITTED USE IN CERTAIN ZONING DISTRICTS AND  
RELATED DEFINITIONS AND DEVELOPMENT  
STANDARDS**

**APPLICANT: CITY OF ORANGE**

**WHEREAS**, the City recognizes the opportunity for Single Room Occupancy (SRO) units to meet housing needs of the community, especially Extremely-Low, Very-Low and Low-Income households; and

**WHEREAS**, the subject Ordinance has been prepared to accommodate Single-Room Occupancy housing units in appropriate zoning districts, in accordance with California Government Code Section 65583(c)(1); and

**WHEREAS**, there are a number of under-utilized small scale office buildings and small-scale motels that lend themselves to adaptive re-use for affordable housing given their proximity to transit, goods, services, and employment; and

**WHEREAS**, single-room occupancy units can provide affordable housing options for single persons living alone, young professionals, persons looking to transition into permanent housing or seniors looking to age in place in the community; and

**WHEREAS**, conversion of underutilized small scale office buildings and small-scale motels to single-room occupancy units provides an opportunity to implement standards, provisions, and limitations governing the permitting, development, siting, and management of properties where no such standards exist; and

**WHEREAS**, the City of Orange 2021-2029 Housing Element includes Housing Policy Action 4H that calls for the City to allow Single-Room Occupancy housing units.

**WHEREAS**, this proposed Ordinance has been crafted to include implementing standards, provisions and limitations governing the permitting, development, siting, and management of Single-Room Occupancy units to ensure the orderly management and operation of such properties;

**NOW, THEREFORE, BE IT RESOLVED** that the Planning Commission recommends that the City Council approve the subject ordinance, attached hereto as Attachment A, based on the following:

## SECTION 1- FINDINGS

1. The proposed Ordinance amends existing provisions of the OMC to achieve compliance with California Government Code Section 65583(c)(1).
2. The proposed Ordinance implements the City's 2021-2029 General Plan Housing Element. Specifically, the Ordinance will assist in providing housing to meet the needs of low- and very-low-income households, remove governmental constraints, promote housing opportunities for all persons, maximize future residential development potential, facilitate infill construction, and provide workforce housing. The ordinance also incorporates provisions intended to preserve and protect the quality of life in established neighborhoods.

## SECTION 2-ENVIRONMENTAL REVIEW

The proposed project is not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the state CEQA Guidelines (Common Sense Exemption) because it can be seen with certainty that there is no possibility that it would have a significant effect on the environment. For this reason, no further CEQA documentation is required.

**ADOPTED** this 21<sup>st</sup> day of April 2025.

Alison Vejar

I hereby certify that the foregoing Resolution was adopted by the Planning Commission of the City of Orange at a regular meeting thereof held on the 21<sup>st</sup> day of April 2025, by the following vote:
