Submitted At: 2:04pm 02-18-26

Parking: There is not enough street parking on West Fletcher to accommodate extra vehicles for that many homes. Our street gets to full capacity after rush hour on weekdays. We can't move our cars without losing our space, and visitors have to park far down the street. During the day, there is a lot of overflow from construction workers for nearby businesses.

Traffic: Fletcher Elementary a few plots down backs up our street during drop off and pickup times.
