You don't often get email from [Learn why this is important](#)

Hello Mr. Allenbach.

Just circling back to see if you received my email and to ask if will be possible to grant my request, or would it be better to make an appointment to see you or to see someone who could help me with this matter?

Sincerely,
Luis Navarro

Dear Mr. Allenbach.

You had the curb on either side of my driveway painted red to mark fire lane a while back. Cars have been continuously parking in this fire lane, making it difficult and sometimes impossible to get my vehicle out. I'm writing to request that you expand the red line to the limit legally allowed to help alleviate this problem?

Thank you for your consideration in this matter.

Sincerely,
Luis Navarro
