I am unable to attend this meeting in person. I plan to watch the video later. Just want to send this e-comment in support of the next steps in your work on the Commission. The ability now to move forward with an implementation plan is very very exciting. The goals for Santiago Creek I know all of you seek to achieve will take WORK and the VISION to stick with it to make it happen. Thanks to your collaborative efforts and to our staff who are working with us, this next phase of your work I believe will be rewarding. Standing ready to help as needed.
