6. DISCUSSION AND BACKGROUND

The City of Orange has been performing Arbor Day Events for over 30 years. Our City has been named a Tree City USA by the Arbor Day Foundation for 32 consecutive years. An annual observance of Arbor Day is a requirement for maintaining the City of Orange as a Tree City USA. The Arbor Day plantings allow us to beautify neighborhoods with the involvement of the community by planting hundreds of trees. Arbor Day is a fantastic opportunity to involve the community in the appreciation of trees. The interaction with community members and trees results in a connection with nature and a caring for important green infrastructure. Due to Covid-19 restrictions, the 2021 planting event will be limited to City staff.

The observation of Arbor Day will be performed with a planting event held on the last week of April 2021 at a City Park.
