CITY OF ORANGE
CITY CLERK

From: Don Dawson

2020 NOV -6 PM 1:40

To: Orange City Council Members

Subject: Nov 10 Council Agenda: RE: Short Term Rentals

Please find attached signatures of (236) homeowners and citizens of Orange. We do not want Short Term Rentals in our neighborhoods.

STR's disrupt the concept of 'neighborhoods'. They create noise, increased traffic and parking problems, trash, drug use, graffiti and a whole host of problems. They're like living next to a motel. The renters have no respect for the neighborhood or the people living in it.

I believe the recommendations put forth by the Planning Commission are totally unenforceable. The STR Homeowners want to increase the limit from the proposed 300 to 600. One is too many. What city department is going to enforce this? I've had dealing with the Code Enforcement Department in the past, they are severely understaffed. The problems I've encountered with the three STR's on my street all happen late at night and on weekends. Enforcement should not be added to the Police Department, they have more important things to do.

Lastly, let's make a decision on this now, don't kick it down the road.

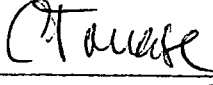

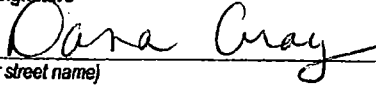

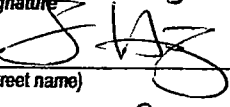

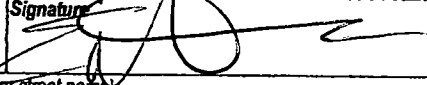

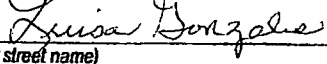

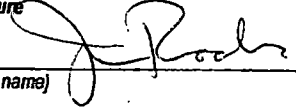

Thank you for your consideration.

Don Dawson
