Re: Application for Neighborhood Parking Permit Program.

Dear Mr. Reyes;

The Traffic Engineering Division has completed the initial parking assessment of streets in your neighborhood, the results of which indicate that Madison Ave., Orange Grove Ave., Wayfield St., and the north side of Walnut Avenue (from Wayfield Street to 1735 E. Walnut Avenue) have exceeded the minimum parking occupancy threshold needed for permit parking to be considered.

In order to move to the petition phase, you will need to provide the remaining twenty-one hundred twenty dollars (\$2,120) of the application fee to the Public Works Department. Once we have received the remainder of the application fee, staff will assemble the petition letters and distribute to qualified residents and/or property owners in your neighborhood. In order to avoid any disruptions in processing your request, we ask that you please provide the remaining fees within thirty (30) days of receiving this letter.

Thank you for your interest in the Neighborhood Parking Permit Program. If you have any questions, please contact Dave Allenbach, Transportation Analyst, at (714) 744-5540.

Regards,

Larry Tay
Traffic Engineer
