Finance Director Confirmation	19	Any California State Constitution Article XIX streets and road eligible expenditure may be "counted" in local jurisdictions' calculation of MOE if the activity is supported (funded) by a local jurisdiction's discretionary funds (e.g. general fund). The California State Controller also provides useful information on Article XIX and the Streets and Highways Code eligible expenditures in its "Guidelines Relating to Gas Tax Expenditures for Cities and Counties". I have reviewed and am aware of these guidelines and their applicability in calculating and reporting on Maintenance of Effort expenditures. Finance Director initial:
