e: Attract, retain and develop quality employees dedicated to public service.

6. DISCUSSION AND BACKGROUND

Employees covered by the City's Part-Time and Seasonal Resolution are considered unrepresented and therefore do not bargain collectively for salary, benefits, and other terms and conditions of employment.

In late 2016, former Governor Jerry Brown signed into law Senate Bill 3, raising California's minimum wage to \$15.00 by 2022. The next increase to minimum wage takes effect January 1, 2021, when the minimum wage will rise from the current \$13.00 per hour to \$14.00 per hour, with increases scheduled through 2022 as follows:

Effective Date	Non-Exempt Hourly Wage
January 1, 2020	\$13.00
January 1, 2021	\$14.00
January 1, 2022	\$15.00

A few of our part-time classifications are currently paid less than the new minimum wage. Staff is therefore recommending the Council address salary levels for those impacted positions with an effective date of December 6, 2020 to comply with the new State minimum wage. Staff is further recommending to address the compensation of other classifications to ensure pay rates are competitive in an effort to recruit and retain quality employees, and to protect against future salary compaction between classifications within the same job families.

There are currently 130 part-time and seasonal employees (FTE 37.68) on payroll who are covered by this Resolution. With a few exceptions, the vast majority of these employees serve in positions that are either temporary, seasonal (summer only), or part-time with a work schedule of 19 hours per week or less. The following changes would be implemented if Council approves the attached Resolution.

- Minimum Wage Increase Requirement
 - a) Swimming Attendant (from \$13.02 to \$14.03 per hour) = 7.5%
 - b) Engineering and Management Intern (from \$13.55 to \$14.03 per hour) = 3.5%
