6. PROJECT DESCRIPTION

Orange Wine Inc., dba Orange Wine & Spirits Market proposed to upgrade an existing ABC Type 20 License (Off-Sale Beer and Wine) to a new ABC Type 21 License (Off-Sale General) within an existing market. The market provides a variety of products including a deli counter, produce, pre-packaged food, and beverages, including beer and wine. In 1998, the Planning Commission approved Conditional Use Permit No. 2263-98 that permitted the off-sale of beer and wine within an existing market.

At the August 2, 2021, Planning Commission meeting, the Commission considered the CUP application, continued the public hearing to a future date and requested additional crime data from the operator's establishments in Orange and one location in Fullerton.

At the June 20, 2022 Planning Commission public hearing, the Orange Police Department provided the requested additional data and also provided recent crime statistics for the 2021 year. Based on this additional information the Planning Commission determined it could not make the necessary findings to support the request. A motion was made to approve the request and the motion failed to carry by a 2-2 vote. A second motion was made to deny the request and the motion was carried by a 3-1 vote. The minutes of the August 2021 and June 2022 meetings are provided in Attachments 3 and 4.

7. ENVIRONMENTAL REVIEW

Categorical Exemption: The proposed project is statutorily exempt from the provisions of the California Environmental Quality Act per State CEQA Guidelines 15270(a), because CEQA does not apply to projects which a public agency rejects or disapproves.
