### 6. DISCUSSION AND BACKGROUND

The Orange City Fire Department is a party to a state-level agreement with the State of California Office of Emergency Services (Cal-OES) to provide fire and emergency assistance to state and federal fire agencies. This agreement is managed by Cal-OES and referred to as the California Fire Assistance Agreement (CFAA). Under this agreement, the Orange City Fire Department generally provides resources two different ways: Strike Teams and Individual Overhead.

Strike team deployments involve an Engine Company, or a Battalion Chief, or a Deputy Chief

responding to an incident with their vehicle, as part of a multi-agency team. Individual Overhead resources respond to fill a specific role for an incident, such as Safety Officer or Line Emergency Medical Technician (EMT).

Upon return from an incident, reimbursement paperwork and invoices are submitted to Cal-OES. The Fire Department recently received reimbursement payments for the OES Pre-Position #210024 for \$14,951.34 and the OES Pre-Position #210025 for \$26,936.90. Staff is requesting that funds be appropriated into the appropriate expenditure accounts for Fiscal Year 2021-2022. The additional funds will reimburse Fire Department overtime and travel expenditures incurred during these incidents.

Staff recommends acceptance of revenue and appropriation of expenditures as follows:
