

**ORDINANCE NO. 02-26**

**AN ORDINANCE OF THE CITY COUNCIL OF  
THE CITY OF ORANGE AMENDING CHAPTER  
8.13 OF THE ORANGE MUNICIPAL CODE TO  
IMPOSE STRICT LIABILITY ON SOCIAL  
HOSTS FOR ALLOWING, FACILITATING, OR  
FAILING TO PREVENT THE USE OR  
DISCHARGE OF ILLEGAL FIREWORKS AND  
ESTABLISHING ENFORCEMENT PENALTIES  
AND ADMINISTRATIVE FINES**

**WHEREAS**, California Constitution, Article XI, Section 7, authorizes the City of Orange (“City”) to adopt and enforce local police, sanitary, and other ordinances and regulations that are not in conflict with general laws; and

**WHEREAS**, California Health & Safety Code section 101450 empowers the City Council to take measures necessary to preserve and protect public health, including adopting ordinances, regulations, and orders that are not in conflict with general laws; and

**WHEREAS**, the discharge of illegal fireworks is a common problem faced by many jurisdictions in California, including the City of Orange (“City”) and surrounding communities; and

**WHEREAS**, the upcoming holiday season, particularly Independence Day, and other celebrations such as New Year's Eve, present an immediate and recurring threat of catastrophic wildfires caused by illegal fireworks, especially given California’s extended fire season and climate conditions that create extreme fire danger; and

**WHEREAS**, the City of Orange currently regulates fireworks pursuant to Chapter 8.13 of the Orange Municipal Code and is compatible with the State Firework Law (California Health and Safety Code Section 12500 et seq.); and

**WHEREAS**, the City of Orange only permits the use of safe and sane fireworks as defined by State law on July 4th of each year between the hours of noon and 10:00 p.m. in approved areas within the city limits; and

**WHEREAS**, the City’s Police Department responds to numerous firework complaint calls during holiday periods; and

**WHEREAS**, the City’s existing fireworks prohibition lacks adequate enforcement mechanisms to hold social hosts accountable, resulting in continued illegal fireworks activity that poses an immediate threat to life and property; and

**WHEREAS**, illegal fireworks can cause serious burns, eye injuries, and other traumatic injuries requiring immediate medical attention, and delayed implementation of this Ordinance would risk continued illegal fireworks activity during upcoming holidays, directly threatening public health; and

**WHEREAS**, the City’s Police Department has encountered operational difficulties in accurately identifying and citing responsible parties for violations of Chapter 8.13 when illegal fireworks are discharged or used at private residences or neighborhood block parties, particularly during large, crowded gatherings. To expand the enforcement tools available to both law enforcement and code enforcement, the City seeks to adopt “social host liability” regulations. These regulations would impose strict liability on the property owner, host, or any person in possession or control of the property for permitting any individual to sell, possess, ignite, explode, project, discharge, or otherwise use illegal fireworks on property owned or controlled by that person in violation of this chapter, regardless of the owner’s, host’s or responsible person’s intent, knowledge, or negligence; and

**WHEREAS**, the City wishes to adopt this Social Host Liability Ordinance to help deter illegal fireworks activity and provide enhanced enforcement mechanisms during the upcoming holiday season; and

**WHEREAS**, the City Council has identified the discharge of illegal fireworks as a public nuisance, and finds that there should be an increase in enforcement and penalties for the discharge of illegal fireworks; and

**WHEREAS**, the City Council finds that illegal fireworks also pose significant year-round risks to public health, safety, and welfare, including fire hazards, property damage, and disturbances of the peace to residents.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ORANGE DOES HEREBY ORDAIN AS FOLLOWS:**

**SECTION I:**

The subject Ordinance is exempt from the provisions of the California Environmental Quality Act (CEQA) per State CEQA Guidelines (Guidelines) Sections 15060(c)(2) and 15060(c)(3) because review and evaluation of potential impact of the Ordinance demonstrate that it will not result in a direct or reasonably foreseeable indirect physical change in the environment, and it is not a "project" as defined in Guideline 15378 and the Ordinance regulates conduct and enforcement procedures and does not authorize or result in any physical development or change to the environment; any resulting enforcement activity is indirect, speculative, and not a reasonably foreseeable physical change.
